

The fifth joint event of

28th Symposium on Computer Geometry SCG '2019

39th Conference on Geometry and Graphics

September 9 - 12, 2019, Trenčianske Teplice, Slovak Republic

Ladies and gentlemen!

You are cordially welcome to participate at the

5th Slovak – Czech Conference on Geometry and Graphics

organized by the Slovak Society for Geometry and Graphics in cooperation with the Czech Society for Geometry and Graphics as joint event of the 28th annual international Symposium on Computer Geometry SCG '2019 and 39th Conference on Geometry and Graphics that will be held on **September 9 – 12, 2019** in lovely environment of famous spa **Trenčianske Teplice, in Slovakia.**

Main topics:

- geometry and its applications
- geometric modelling and computer graphics
- role of geometry in the context of engineering education
- dynamic software environments in teaching geometry

Presentations are welcome if related to any branch/ of geometry and its applications in technical and scientific disciplines, or dealing with teaching geometry. Participants can present their contributions also as posters, exhibition of models, presentations of learning materials or computer applications.

Interested participants can register on-line at the conference webpage www.ssgg.sk/scg/indexa.htm

Accommodation (and free entry to wellness: swimming pool and sauna) is provided in [Parkhotel na Baračke](#) on request in the on-line registration form

81,- Euro full board in 1-bedroom/person/day

63,- Euro full board in 2-bedroom/person/day

Conference fee in the amount of 100,- Euro (covering conference materials and proceedings, refreshment and conference dinner) should be paid not later than August 20, 2019 to the account in

Prima banka Slovensko, a.s. Bratislava, No. 4040 198208/3100

SWIFT: LUBASKBX, IBAN SK05 3100 0000 0040 4019 8208

We are looking forward to meet you at the event!
